February 7,

Dear Mr. Koenings;

I wanted to express my heartfelt appreciation to you and the other panelists for taking the time to address our Ag-Forestry Class at the WFPA offices last Thursday. All the talks were interesting and thought provoking. I enjoyed your PowerPoint presentation regarding the ESA and Salmon Recovery (thank-you for the handouts, too). As you could tell from the amount of questions during the Q&A session, this is a topic of high interest and concern.

Thanks again for your time and interest.

Sincerely;

Jim Vander Ploeg
